## Specification

- This supportive mattress features a ReActive™ 9-turn pocket spring system. Each spring independently senses your shape and weight distribution to provide total spinal and body support.
- Generously upholstered with naturally soft and breathable layers of cashmere, wool, cotton and Solotex™, which help regulate body temperature.
- Covered with M:Pure™, a chemical-free Belgian damask, to provide a soft, fresh and hygienic sleeping surface, featuring the embroidered mattress name.
- Tailored with three rows of hand side-stitching for edge-to-edge support, and hand tufted for long lasting comfort.

The mattress is matched with a platform top divan, to provide an extra-supportive firmer feel.

## Design your bed

- Choose a firm or extra firm mattress comfort level.
- Available in dual tension, to suit each sleeper, or as a zip and link, so the bed can be conveniently split.
- Opt for either a traditional deep, or a modern shallow divan base.
- Select a storage option to suit you – standard drawers, a hidden safe, a Super-Storage or Hideaway divan base or an Easy-Store drawer for maximum storage.
- A range of stylish legs or feet to choose from, or select a divan skirt.
- Choose a Hypnos headboard to crown the bed.
- Headboards and divans can be upholstered in a range of fabrics to match your interior, creating a stunning bedroom centrepiece.
